

Following a long tradition, VAM® Services is highlighting licensees who have performed very well in 2018. Awards are granted in several categories:

- Best OCTG threading mill
- Best OEM plant
- Best OCTG accessory / repair shop
- Best quality improvement
- Special Jury's

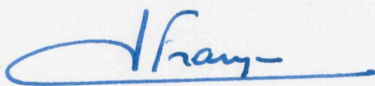

The recipients of the prizes are as follows:

<p>Best Threading Mill</p> <p>Vallourec Saudi Arabia Dammam, Saudi Arabia</p> 	<p>Best OEM</p> <p>Baker Hughes Broken Arrow, OK, U.S.A.</p>  <p>Aker Solutions Tranby, Norway</p> 
<p>Best Repair / Accessory Shop</p> <p>Custom Threading Houston, TX, U.S.A.</p> 	<p>Best Quality Improvement</p> <p>OMS Singapore</p> 
<p>Special Jury's</p> <p>Guanghan Petroleum Well Control Equipment Guanghan, China</p>  <p>Weatherford Yopal, Colombia</p> 	

We would like to thank those VAM® licensed companies for the great achievement performed in 2018. Many other licensed workshops were close in the competition but could not be nominated this year.

The VAM® reputation is relying on a tremendous product line but also a great licensee network supporting VAM® products over 55 countries worldwide.

Thanks all of you for your individual contribution.

François DAVID
General Manager VAM® Services
